ALLOWANCE

Allowable Subject Matter

1. **Claims 1-6 are allowed.** The following is an examiner's statement of reasons for allowance: as to claim 1, the prior art of record does not teach nor render obvious the overall claimed combination of an orthopedic ankle rehabilitation device with a horizontal break line in a vertical/lateral support member for selectively severing the member on the break lines to accommodate different patient uses of the ankle brace. Therefore, the invention defined in claims 1-6 is novel.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
